

## Lisa R. Lifshitz

**Tel:** 416 775 8821    **Fax:** 1 877 689 3891

**Email:** llifshitz@torkinmanes.com

**Lisa is a partner in our Business Law Group, specializing in the areas of information technology and business law and is the leader of the firm's Technology, Privacy & Data Management Group.**

Lisa has particular expertise in preparing and negotiating technology agreements, including Internet-related, m-commerce and e-commerce agreements, cloud computing agreements (SaaS, PaaS, IaaS), cloud retail agreements, cloud storage agreements, app development agreements, hosting agreements, mobile payment agreements, reseller, distribution, outsourcing, system acquisition, maintenance and support agreements, master services agreements and consulting and services agreements. She also provides technology-related advice on financings and acquisitions, including export control and open source advice on cross-border deals. She has considerable experience helping non-Canadian companies, especially American entities, create appropriate legal agreements for their entry into Canadian marketplace.

Lisa also practises in the area of privacy and information management, advising both Canadian and international clients on compliance with Canadian privacy requirements. She routinely advises clients on trans-border data transfers, data breach management, privacy compliance in corporate transactions and negotiations, and privacy due diligence in connection with information technology transactions. She frequently provides privacy advice in the healthcare and long-term care sector. She also advises on compliance relating to Canada's new anti-spam legislation.

### Services
